“Resolved that Aboubakar (Bakar) Jakoet be and is hereby elected as a member of the Audit Committee of the Company.”

Reason for and effect of Ordinary Resolutions Numbers 3.1 to 3.4

Section 94(2) of the Companies Act requires a public company, at each Annual General Meeting, to elect an Audit Committee comprising at least three members unless (i) the Company is a subsidiary of another company that has an Audit Committee and (ii) the Audit Committee of that other company will perform the functions required under Section 94 on behalf of the subsidiary company.

Section 94(4) of the Companies Act, read with King IV, requires, among other things, that each member of the Audit Committee must be an independent non-executive director of the Company. The Board has considered and is satisfied that the directors recommended for election as members of the Audit Committee (if re-elected as directors) meet the requirements of Section 94(4) of the Companies Act and King IV and have the necessary financial literacy, skills and experience to execute their duties effectively.

The effect of passing these resolutions will be to elect the above persons as members of the Company’s Audit Committee.

ORDINARY RESOLUTION NUMBER 4:

Issue of ordinary shares for cash

Ordinary Resolution Number 4: In terms of Section 5.52 of the JSE Listings Requirements, the Board may issue equity securities (such as ordinary shares, which is the only class of equity securities that the Company has authorised at present) for cash on a non-pro rata basis if Shareholders generally approve such issue at a general meeting of the Company by giving a renewable mandate. The mandate will be valid until the Company’s next Annual General Meeting or for 15 (fifteen) months from the date of the Ordinary Resolution, whichever period is shorter, and will allow the directors to issue equity securities for cash, subject to the JSE Listings Requirements and applicable law.

The purpose of Ordinary Resolution Number 4 is for Shareholders to approve the issue of ordinary shares for cash by the directors, subject to such authority only being exercised for the purposes of either an acquisition, and/or an empowerment transaction, and/or a share incentive scheme award.

“Resolved that, subject to the provisions of the MOI, the JSE Listings Requirements and the Companies Act, the directors be and are hereby authorised, by way of a general approval, to issue ordinary shares and/or options in respect of ordinary shares, which shall be limited in aggregate to 3%, for cash, only being exercised for the purposes of either an acquisition, and/or an empowerment transaction, and/or a share incentive scheme award, provided that:

1. the authority will be valid until the earlier of the date of the Company’s next Annual General Meeting or 15 months from the date of this resolution;
2. the issue must be of a class of securities already in issue or limited to such securities or rights that are convertible into a class already in issue;
 - 2.1. the securities, which are the subject of the issue for cash, must be issued to public Shareholders as defined in paragraphs 4.25-4.27 of the JSE Listings Requirements and not to related parties except as may be permitted in terms of paragraph 5.52(f) of the JSE Listings Requirements;
 - 2.2. the maximum number of ordinary shares that may be issued in terms of this general authority is 3 912 954 (three million, nine hundred and twelve thousand, nine hundred and fifty four). At the date of this Notice, the Company has 130 431 804 (one hundred and thirty million, four hundred and thirty-one thousand, eight hundred and four) ordinary shares in issue and, therefore, the maximum number of ordinary shares that may be issued in terms of this Ordinary Resolution Number 4 amounts to 3% (three percent) of the issued ordinary share capital of the Company. In the event of a sub-division or consolidation of the ordinary share capital of the Company during the period of this authority, the number of ordinary shares that may be issued in terms of this Ordinary Resolution Number 4 will be adjusted accordingly;

- 2.3 in determining the price at which an issue of equity securities may be made in terms of this general approval, the maximum discount permitted will be 10% (ten percent) of the weighted average traded price of the equity securities as measured over the 30 business days prior to the date that the price of the issue is agreed between the Company and the party subscribing for the securities. The JSE will be consulted for a ruling if the Company's equity securities have not traded in such 30-business-day period; and
- 2.4 if the issued equity securities represent, on a cumulative basis, 5% (five percent) or more of the number of equity securities in issue prior to that issue, an announcement containing the full details of such issue shall be published on SENS."

Reason for and effect of Ordinary Resolution Number 4 (as required in terms of paragraph 11.22 of the JSE)

The reason for proposing this resolution is to grant a restricted authorisation to the directors to issue the unissued ordinary shares of the Company with such shares being limited to 3% (three percent) of the shares in issue as at the date of this Notice, subject to such authority only being exercised for the purposes of either an acquisition, and/or an empowerment transaction, and/or a share incentive scheme award. This general authority shall be subject to the Companies Act, the JSE and applicable regulatory and statutory limitations.

The percentage of voting rights that is required for this Ordinary Resolution Number 4 to be adopted is at least 75% (seventy-five percent) of the voting rights exercised on the Resolution.

ORDINARY RESOLUTION NUMBER 5:

Authorisation of directors and Group Company Secretary

Ordinary Resolution Number 5: To authorise the directors and Group Company Secretary to do all such things, sign all such documents and take all such actions as may be necessary for or incidental to the implementation of the Ordinary and Special Resolutions adopted at the Annual General Meeting.

"Resolved that any director of the Company or the Group Company Secretary be and is hereby authorised to sign all such documentation and to do all such things as may be necessary for or incidental to the implementation of Ordinary Resolutions 1 to 4 and Special Resolutions 1 to 3 which are passed by the Shareholders at this Annual General Meeting."

SPECIAL RESOLUTION NUMBER 1:

Financial assistance to related or inter-related companies and others

Special Resolution Number 1: Financial assistance to related or inter-related companies and others.

"Resolved that in terms of, and subject to, the provisions of Section 45 of the Companies Act, the Shareholders hereby approve, as a general approval (subject to the requirements of the Company's MOI, the Companies Act and the JSE Listings Requirements from time to time), at any time and from time to time, during the period of 2 (two) years commencing on the date of this Special Resolution, the provision by the Company of any direct or indirect financial assistance contemplated in the Companies Act to a related or inter-related company or corporation, or to a member of a related corporation and/or to any persons related or inter-related to any such companies, corporations or members, on such terms and conditions as the Board, or any one or more persons authorised by the Board from time to time for such purpose, deems fit, in the form, nature and extent and for the amounts, that the Board, or any one or more persons authorised by the Board from time to time for such purpose, may determine from time to time."

Reason for and effect of Special Resolution Number 1

The reason for Special Resolution Number 1 is to obtain approval from the Shareholders so as to enable the Company to provide financial assistance, when the need arises, in accordance with the provisions of Section 45 of the Companies Act. The Board undertakes that, insofar as the Companies Act requires, it will not adopt a resolution to authorise such financial assistance, unless the directors are satisfied that (i) immediately after providing such financial assistance, the Company will satisfy the solvency and liquidity test as referred to in Section 45(3)(b)(i) of the Companies Act, and that (ii) the terms under which such financial assistance is to be given are fair and reasonable to the Company as referred to in Section 45(3)(b)(ii) of the Companies Act.

Reason for and effect of Special Resolution Number 2

The reason for and effect of Special Resolution Number 2 is to approve the annual remuneration of the non-executive directors of the Company to be paid for their services in their capacity as directors and Committee members and their rate of remuneration for *ad hoc* services, in accordance with Section 66(9) of the Companies Act, for the period commencing 1 October 2023 up until the conclusion of the following AGM. The proposed remuneration is based on benchmarks conducted on non-executive remuneration in relation to the Company's peer grouping.

SPECIAL RESOLUTION NUMBER 3:

General authority to acquire shares

Special Resolution Number 3: General authority to acquire the Company's shares.

"Resolved that the Company hereby approves, as a general approval for purposes of Section 48 of the Companies Act and paragraph 5.72 of the JSE Listings Requirements, that the acquisition by the Company or any of its subsidiaries from time to time, of the issued shares of the Company, upon such terms and conditions and in such amounts as the directors may from time to time determine, but subject to the Company's MOI, the provisions of the Companies Act and the JSE Listings Requirements as presently constituted and as may be amended from time to time, and provided that the Company and its subsidiaries shall only be authorised to make a general repurchase or purchase as the case may be, of shares in the Company on such terms and conditions as the Board may deem fit, provided that the repurchase complies with the JSE Listings Requirements (as they may be amended from time to time)."

The current requirements to be met in relation to a repurchase for purposes of the JSE Listings Requirements are as follows:

- any such acquisition of shares shall be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the Company and the counterparty (reported trades are prohibited);
- any such acquisition of shares is authorised by the Company's MOI;
- at any point in time, the Company may only appoint one agent to effect any such acquisition(s) on its behalf;
- this general authority shall only be valid until the Company's next Annual General Meeting, provided that it shall not extend beyond 15 (fifteen) months from the date of passing of this special resolution;
- an announcement containing full details of the acquisitions will be published no later than 08:30 on the business day following the date on which the Company and/or its subsidiaries have acquired shares constituting, in aggregate, 3% (three percent) of the number of shares of that class in issue at the time of granting of this general authority, and for each 3% (three percent) in aggregate of the initial number of that class acquired thereafter;
- acquisitions by the Company of shares in the share capital of the Company may not, in the aggregate, exceed in any one financial year 10% (ten percent) of the Company's issued share capital or where such acquisitions relate to acquisition/s of shares in the share capital of the Company by a subsidiary/ies not more than 10% (ten percent) of the Company's issued share capital, in aggregate, held by or for the benefit of the Company's subsidiaries;
- in determining the price at which the Company's shares are acquired by the Company or its subsidiaries in terms of this general authority, the maximum price at which such shares may be acquired may not be greater than 10% (ten percent) above the weighted average of the market price at which such shares are traded on the JSE, as determined over the 5 (five) business days immediately preceding the date of the acquisition of such shares by the Company or its subsidiaries;

- h. the Board by resolution has authorised the acquisition, and that the Company and its relevant subsidiaries have passed the solvency and liquidity test, and that since the test was performed there have been no material changes to the financial position of the Group; and
- i. the Company and/or its subsidiaries shall not acquire shares in the Company during a prohibited period as defined in paragraph 3.67 of JSE Listings Requirements unless they have in place a repurchase programme and full details as required in terms of paragraph 5.72(h) of the JSE Listings Requirements have been submitted to the JSE in writing prior to the commencement of the prohibited period to execute the repurchase programme.

The Company must instruct one independent third party, which makes its investment decisions in relation to the Company's securities independently of, and uninfluenced by, the Company, prior to the commencement of the prohibited period to execute the repurchase programme submitted to the JSE.

Reason for and effect of Special Resolution Number 3

The reason for this Special Resolution is to grant the Company a general authority in terms of the Companies Act and the JSE Listings Requirements for the acquisition by the Company or any of its subsidiaries of shares issued by the Company, which authority shall be valid until the end of the next Annual General Meeting of the Company provided that the general authority shall not extend beyond 15 (fifteen) months from the date of this Annual General Meeting. The effect of the passing of this Special Resolution will be to authorise the Company and any of its subsidiaries to acquire shares issued by the Company.

The directors are of the opinion that it would be in the best interests of the Company to extend the current authority for the repurchase of shares by the Company or its subsidiaries, allowing the Company or any of its subsidiaries to be in a position to repurchase or purchase, as the case may be, the shares issued by the Company through the order book of the JSE, should the market conditions and price, as well as the financial position of the Company, justify such action, as determined by the directors.

Repurchases or purchases, as the case may be, will only be made after careful consideration, where the directors consider that such repurchase or purchase, as the case may be, will be in the best interests of the Company and its Shareholders.

Statement by the Board regarding Special Resolution Number 3

Pursuant to and in terms of the JSE Listings Requirements, the Board hereby states that:

- a. the intention of the directors is to utilise the general authority to acquire shares in the Company if at some future date the cash resources of the Company are in excess of its requirements or there are other good grounds for doing so. In this regard the directors will take account of, *inter alia*, an appropriate capital structure for the Company, the long-term cash needs of the Company, and the interests of the Company; and
- b. in determining the method by which the Company intends to acquire its shares, the maximum number of shares to be acquired and the date on which such acquisition will take place, the directors will only make the acquisition if at the time of the acquisition:
 - the general repurchase has been authorised by the Board by resolution;

- it reasonably appears that the Company and the Group will satisfy the solvency and liquidity test as set out in Section 4 of the Companies Act immediately after completing the general repurchase;
- the Board has acknowledged that it has applied the solvency and liquidity test and reasonably concluded that the Company and the Group will satisfy the solvency and liquidity test immediately after completing the general repurchase;
- since the solvency and liquidity test was performed there have been no material changes to the financial position of the Group;
- the assets of the Company and the Group, fairly valued in accordance with the accounting policies used in the latest audited financial statements, will be in excess of the liabilities of the Company and the Group for the next 12 (twelve) months after the date of the general repurchase; and
- the working capital available to the Company and the Group will be sufficient for ordinary business purposes for the next 12 (twelve) months after the date of the general repurchase.

- c. For purposes of considering Special Resolution Number 3 and in compliance with paragraphs 11.26(b)(i) and (iii) of the JSE Listings Requirements, page 128 of the AFS, which is available on the Company's website, at <https://oceana.co.za/investors-information-financial-results>, provides details of:

- the major Shareholders of the Company;
- an analysis of Shareholders (including beneficial Shareholders who hold 5% (five percent) or more of the issued share capital of the Company – and of which the Company is aware, but who are not registered Shareholders); and
- the authorised and issued shares of the Company are detailed in note 21 on page 62 of the AFS.

Material changes (paragraph 11.26(b)(ii) of the JSE Listings Requirements):

There have been no material changes to the Company and the Group's financial or trading position (other than as disclosed in the Integrated Annual Report and AFS) since 30 September 2023.

Directors' responsibility statement (paragraph 11.26(b)(iv) of the JSE Listings Requirements)

For purposes of Special Resolution Number 3, the directors, whose names are given on page 25 of the Integrated Report, collectively and individually, accept full responsibility for the accuracy of the information given and certify that, to the best of their knowledge and belief, there are no facts that have been omitted which would make any statement false or misleading, and that all reasonable enquiries to ascertain such facts have been made and that the statement by the Board above contains all information required by law and the JSE Listings Requirements.

“Resolved as a non-binding advisory vote that the Remuneration Policy of the Company be and is hereby endorsed through a non-binding advisory vote as recommended in terms of King IV and required in terms of Section 3.84(j) of the JSE Listings Requirements.”

Non-binding advisory vote number 2: Approval of the Implementation Report.

“Resolved as a non-binding advisory vote that the Implementation Report of the Company be and is hereby endorsed through a non-binding advisory vote as recommended in terms of King IV and required in terms of Section 3.84(j) of the JSE Listings Requirements.”

Reason for and effect of non-binding advisory votes 1 and 2

In terms of principle 14 of King IV, and Section 3.84(j) of the JSE Listings Requirements, the Company’s Remuneration Policy and Implementation Report should be tabled to the Shareholders for separate non-binding advisory votes at the Annual General Meeting. Accordingly, the Shareholders are requested to endorse the Company’s Remuneration Policy and Implementation Report, respectively by way of separate non-binding advisory votes in the same manner as an Ordinary Resolution.

In the event that either the Remuneration Policy or the Implementation Report, or both, are voted against by Shareholders exercising 25% (twenty-five percent) or more of the voting rights exercised at the Annual General Meeting, the Company will engage with the dissenting Shareholders to establish their reasons for voting against the Resolution(s) and to appropriately address legitimate and reasonable objections and concerns raised.

The Remuneration Policy and Implementation Report of the Company are available on pages 88 to 102 of the Integrated Report which is available here: <https://oceana.co.za/investors-information-intergrated-reports>

VOTING

The percentage of voting rights of the votes, present in person, represented or by proxy at the Annual General Meeting, required for the passing of each Special Resolution proposed above is at least 75% (seventy-five percent) of the voting rights cast on such Resolutions and for the passing of each Ordinary Resolution proposed above is more than 50% (fifty percent) of the voting rights cast on such Resolution, save for Ordinary Resolution 4, which requires at least 75% (seventy-five percent) of votes exercised to be cast in favour thereof.

The percentage of voting rights that will be required for the non-binding advisory Remuneration Policy and Implementation Report resolutions to be adopted, so that no engagement with dissenting shareholders will be required, is more than 75% (seventy-five percent) of the votes exercised on the resolutions.

GENERAL INSTRUCTIONS AND INFORMATION

All Shareholders are encouraged to attend, participate and vote at the Annual General Meeting and are entitled to appoint a proxy to attend, participate in and vote at the Annual General Meeting in the place of the Shareholder, or to appoint two or more proxies concurrently. The proxy duly appointed to act on behalf of a Shareholder need not also be a Shareholder.

On a show of hands, every Shareholder present in person or represented shall have 1 (one) vote only. On a poll, every Shareholder present in person, by proxy or represented shall have 1 (one) vote for every share held.

If you hold certificated shares (i.e. have not dematerialised your shares in the Company) or are registered as an own-name dematerialised Shareholder (i.e. have specifically instructed your Central Securities Depository Participant ("CSDP") to hold your shares in your own name on the Company's sub-register), then:

- you may attend and vote at the Annual General Meeting; alternatively
- you may appoint a proxy (who need not also be a Shareholder) to represent you at the Annual General Meeting by completing the attached form of proxy and, for administrative reasons, returning it to the Company's transfer secretaries, JSE Investor Services, in South Africa, at its physical office at 13th Floor, 19 Ameshoff Street, Braamfontein, 2001, by post to PO Box 4844, Johannesburg, 2000 or by email to MeetFax@jseinvestorservices.co.za by no later than 14:00 on 06 February 2024 (being not less than 24 (twenty-four) hours before the time appointed for the holding of the Annual General Meeting (excluding Saturdays, Sundays and public holidays)), provided that, should you not return such form of proxy to the transfer secretaries within the time stipulated above, you shall nevertheless be entitled to email the form of proxy to the Company via JSE Investor Services at MeetFax@jseinvestorservices.co.za any time before or during the Annual General Meeting, provided that this must take place before the appointed proxy exercises any of your Shareholder rights at the Annual General Meeting (or any postponement or adjournment of the Annual General Meeting). Please note that your proxy may delegate his/her authority to act on your behalf to another person, subject to the restrictions set out in the attached form of proxy as stipulated in Section 58(3)(b) of the Companies Act. Unless revoked before then, a signed proxy form shall remain valid at any adjournment or postponement of the Annual General Meeting and the proxy so appointed shall be entitled to vote, as indicated on the proxy form, on any resolution (including any resolution which is amended or modified) at such Annual General Meeting or any adjournment or postponement thereof.

Please note that if you are the owner of dematerialised shares (i.e. have replaced the paper share certificates representing the shares with electronic records of ownership under the JSE's electronic settlement system, Strate Limited ("Strate")), held through a CSDP or broker and are not registered as an "own name" dematerialised Shareholder, you are not a registered Shareholder of the Company, but appear on the sub-register of the Company held by your CSDP. Accordingly, in these circumstances subject to the mandate between yourself and your CSDP or broker, as the case may be:

- if you wish to attend the Annual General Meeting you must contact your CSDP or broker, as the case may be, and obtain the relevant letter of representation from them; alternatively
- if you are unable to attend the Annual General Meeting but wish to be represented at the Annual General Meeting, you must contact your CSDP or broker, as the case may be, and furnish them with your voting instructions in respect of the Annual General Meeting and/or request them to appoint a proxy. You must not complete the attached form of proxy. The instructions must be provided in accordance with the mandate between yourself and your CSDP or broker, as the case may be, within the time period required by them. CSDPs, brokers or their nominees, as the case may be, recorded in the Company's sub-register as holders of dematerialised shares held on behalf of an investor/beneficial owner in terms of Strate may, when authorised in terms of their mandate or instructed to do so by the owner on behalf of whom they hold dematerialised shares in the Company, vote by either appointing a duly authorised representative to attend and vote at the Annual General Meeting or by completing the attached form of proxy in accordance with the instructions thereon and, for administrative reasons, returning it to the Company's transfer secretaries, JSE Investor Services, in South Africa, at its physical office at 13th Floor, 19 Ameshoff Street, Braamfontein, 2001, by post to PO Box 4844, Johannesburg, 2000 or by email to MeetFax@jseinvestorservices.co.za by no later than 14:00 on 06 February 2024 (being not less than 24 (twenty-four) hours before the time appointed for the holding of the Annual General Meeting (excluding Saturdays, Sundays and public holidays)) provided that, should the relevant CSDP, broker or its nominee, as the case may be, not return such form of proxy to the Company's transfer secretaries within the time stipulated above, it shall nevertheless be entitled to email the form of proxy to the Company via JSE Investor Services at MeetFax@jseinvestorservices.co.za any time before or during the Annual General Meeting, provided that this must take place before the appointed proxy exercises any of the Shareholder rights of the relevant CSDP, broker or its nominee, as the case may be, at the Annual General Meeting (or any postponement or adjournment of the Annual General Meeting).

Note that voting will be performed by way of a poll so that each Shareholder present or represented by way of proxy will be entitled to vote the number of shares held or represented by them. Shareholders which are companies and wish to participate in the Annual General Meeting may authorise any person to act as their representative at the Annual General Meeting.

SUMMARY OF SHAREHOLDERS' RIGHTS IN RESPECT OF PROXY APPOINTMENTS AS CONTAINED IN SECTION 58 OF THE COMPANIES ACT

Please note that in terms of Section 58 of the Companies Act:

- this form of proxy must be dated and signed by the Shareholder appointing the proxy;
- you may appoint an individual as a proxy, including an individual who is not a Shareholder, to participate in and speak and vote at the Annual General Meeting on your behalf and may appoint more than one proxy to exercise voting rights attached to shares held by you;
- your proxy may delegate his/her authority to act on your behalf to another person, subject to any restriction set out in this form of proxy;
- this form of proxy must be delivered to the Company, by the time specified in this form of proxy via the transfer secretaries of the Company in South Africa, namely JSE Investor Services (Proprietary) Limited, before your proxy exercises any of your rights as a Shareholder at the Annual General Meeting;
- the appointment of your proxy or proxies will be suspended at any time and to the extent that you choose to act directly in the exercise of any of your rights as a Shareholder at the Annual General Meeting;
- the appointment of your proxy is revocable unless you expressly state otherwise in this form of proxy;
- as the appointment of your proxy is revocable (except if you expressly state otherwise in this form of proxy), you may revoke the proxy appointment by (i) cancelling it in writing or making a later inconsistent appointment of a proxy and (ii) delivering a copy of the revocation instrument to the proxy, and to the Company via the transfer secretaries. Please note the revocation of a proxy appointment constitutes a complete and final cancellation of your proxy's authority to act on your behalf as of the later of the date stated in the revocation instrument, if any, or the date on which the revocation instrument was delivered to the Company and the proxy as aforesaid;
- if this form of proxy has been delivered to the Company via the transfer secretaries, as long as that appointment remains in effect, any Notice that is required by the Companies Act or the Company's memorandum of incorporation to be delivered by the Company to you will be delivered by the Company to you or your proxy or proxies, if you have directed the Company to do so, in writing and paid any reasonable fee charged by the Company for doing so;
- your proxy is entitled to exercise, or abstain from exercising, any voting right of yours at the Annual General Meeting, but only as directed by you on this form of proxy; and
- the appointment of your proxy remains valid only until the end of the Annual General Meeting or any adjournment or postponement thereof or
- for a period of one year, whichever is shortest, unless it is revoked by you before then on the basis set out above.

The proxy form shall be valid and shall apply to any adjournment or postponement of the Annual General Meeting to which it relates and shall apply to any resolution proposed at the Annual General Meeting to which it relates and to such resolution as modified or amended including any such modified or amended resolution to be voted on at any adjourned or postponed meeting of the Annual General Meeting to which the proxy relates, unless before the adjourned or postponed meeting the appointment of the proxy is revoked.

Please also read the notes overleaf.

1. A certificated or own-name dematerialised Shareholder or a CSDP or broker, or its nominee, as the case may be, registered as a Shareholder in the Company's sub-register may insert the name of a proxy or the names of two alternative proxies of the Shareholder's choice in the space/s provided, with or without deleting "the chairman of the Annual General Meeting", but any such deletion must be initialed by the Shareholder. The person whose name stands first on the form of proxy and who is present at the Annual General Meeting will be entitled to act as proxy to the exclusion of those whose names follow thereafter. If no proxy is inserted in the spaces provided, then the chairman shall be deemed to be appointed as the proxy.
2. A Shareholder's instructions to the proxy must be indicated in the appropriate space provided. If there is no clear indication as to the voting instructions to the proxy, the proxy will be deemed to be authorised to vote or to abstain from voting at the Annual General Meeting as he/she deems fit in respect of all the Shareholder's votes exercisable thereat. A Shareholder or his/her proxy is not obliged to use all the votes exercisable by the Shareholder, but the total of the votes cast or abstained may not exceed the total of the votes exercisable by the Shareholder.
3. Forms of proxy should be lodged with the Company's transfer secretaries JSE Investor Services, in South Africa, at its physical office at 13th Floor, 19 Ameshoff Street, Braamfontein, 2001, by post to PO Box 4844, Johannesburg, 2000 or by email to MeetFax@jseinvestorservices.co.za. Forms of proxy should, for administrative reasons, be received by or lodged with the Company's transfer secretaries by no later than 24 (twenty-four) hours (excluding Saturdays, Sundays and public holidays) before the Annual General Meeting (i.e. by 14:00 on Monday, 5 February 2024) provided that, should the form of proxy not be received by the transfer secretaries within the time stipulated above, the relevant certificated or own-name Shareholder or CSDP or broker (or its nominee), as the case may be, shall nevertheless be entitled to email the form of proxy to the Company via JSE Investor Services at MeetFax@jseinvestorservices.co.za any time before or during the Annual General Meeting, provided that this must take place before the appointed proxy exercises any of the Shareholder rights of the relevant certificated or own-name Shareholder or CSDP or broker (or its nominee), as the case may be, at the Annual General Meeting (or any postponement or adjournment of the Annual General Meeting).
4. The completion and lodging of this form of proxy will not preclude the relevant Shareholder from attending the Annual General Meeting (or any adjournment or postponement thereof) and speaking and voting in person thereat to the exclusion of any proxy appointed in terms of this form of proxy.
5. Where there are joint holders of shares, the vote of the senior joint holder who tenders a vote, as determined by the order in which the names stand in the register of Shareholders, will be accepted.
6. Documentary evidence establishing the authority of a person signing this form of proxy in a representative capacity must be attached to this form of proxy unless previously recorded by the Company's transfer secretaries or waived by the chairman of the Annual General Meeting if he/she is reasonably satisfied that the right of the representative to participate and vote has been reasonably verified. CSDPs or brokers, or their nominees, as the case may be, registered as Shareholders in the Company's sub-register voting on instructions from owners of shares registered in the Company's sub-register, are requested to identify the owner in the sub-register on whose behalf they are voting and return a copy of the instruction from such owner to the Company's transfer secretaries together with this form of proxy.
7. Any alteration or correction made to this form of proxy must be initialed by the signatory/ies, but will only be validly made if such alteration or correction is accepted by the chairman of the Annual General Meeting.
8. A minor must be assisted by his/her parent or guardian unless the relevant documents establishing his/her legal capacity are produced or have been registered by the Company's transfer secretaries.
9. Certificated Shareholders which are a company or body corporate may by resolution of their directors, or other properly authorised body, in terms of Section 57 of the Companies Act, authorise any person to act as their representative.
10. The chairman of the Annual General Meeting may, in his/her discretion, accept or reject any form of proxy which is completed other than in accordance with these notes.
11. If required, additional forms of proxy are available from the Company's transfer secretaries or the registered office of the Company.
12. If you are the owner of dematerialised shares held through a CSDP or broker (or its nominee) and are not an own name dematerialised Shareholder, then you are not a Shareholder of the Company, but appear as the holder of a beneficial interest on the relevant sub-register of the Company held by your CSDP. Accordingly, in these circumstances, do NOT complete this form of proxy subject to the mandate between yourself and your CSDP or broker:
 - a. if you wish to attend the Annual General Meeting you must contact your CSDP or broker, as the case may be, and obtain the relevant letter of representation from them; alternatively
 - b. if you are unable to attend the Annual General Meeting but wish to be represented at the meeting, you must contact your CSDP or broker, as the case may be, and furnish them with your voting instructions in respect of the Annual General Meeting and/or request them to appoint a proxy. You must not complete the attached form of proxy. Your instructions must be provided in accordance with the mandate between yourself and your CSDP or broker, as the case may be.

CSDPs, brokers or their nominees, as the case may be, recorded in the Company's sub-register as holders of dematerialised shares held on behalf of an investor/beneficial owner in terms of Strate should, when authorised in terms of their mandate or instructed to do by the person on behalf of whom they hold the dematerialised shares, vote by either appointing a duly authorised representative to attend and vote at the Annual General Meeting or by completing the attached form of proxy in accordance with the instructions thereon and returning it to the Company's transfer secretaries to be received, for administrative reasons, not less than 24 (twenty-four) hours prior to the time appointed for the holding of the meeting (excluding Saturdays, Sundays and public holidays), provided that, should the form of proxy not be received by the transfer secretaries within the time stipulated above, the relevant CSDP, broker, or its nominee, as the case may be, shall nevertheless be entitled to email the form of proxy to the Company via JSE Investor Services at MeetFax@jseinvestorservices.co.za any time before or during the Annual General Meeting, provided that this must take place before the appointed proxy exercises any of the Shareholder rights of the relevant CSDP, broker, or its nominee, as the case may be, at the Annual General Meeting (or any postponement or adjournment of the Annual General Meeting).
